

WELCOME

The purpose of our Club is to promote the study, understanding, improvement and enjoyment of photography.

Our Club is a group of enthusiastic photographers who wish to share thoughts, ideas, photographs and experiences through a common interest in photography. We meet on the first Wednesday of every month from September through June.

Dues-paying members may participate in our Club critiques, workshops, field trips and shows, have website login privileges and may be included in the Club's dedicated Facebook Group.

MONTHLY CHALLENGE

Each month, members have the opportunity to exhibit a photo interpreting the current theme. Each member uploads his/her photo to the Club website, and all submissions are presented in a slideshow at the monthly meeting. All photos must be taken after June 2016. *(The images used in this brochure are Monthly Challenge winners from the previous Club year, 2015-2016.)*

Themes for this year can be found on the Club website under the heading, **Events / Monthly Challenge**.

MONTHLY PROGRAMS

At our opening meeting, we present a slideshow representing images from last year's Small Group efforts as our Program offering.

At subsequent monthly meetings the Program Committee arranges for guest speakers/presenters on a variety of topics including a critique night.

The November featured presentation by John Slonina is entitled, Fundamentals of Wildlife or Nature Photography.

Additional Monthly Program offerings, as well as more detailed information about the Programs and presenters, can be found on the Club website under the heading, **Events / Monthly Meetings**.

SMALL GROUPS

Our Small Groups offer members an opportunity to get together outside of monthly meetings to share constructive feedback on their individual work while exploring topics of interest.

There are seven groups, including four new groups that will allow more members to enjoy this popular program:

- ◆ Nature Photography
- ◆ The Power of Black & White
- ◆ General Photography
- ◆ Lightroom *(New)*
- ◆ Fundamentals *(New)*
- ◆ Mastering Composition *(New)*
- ◆ Fine Art Photography *(New)*

The Club website contains more detailed information under the heading, **Events / Small Groups**.

WORKSHOPS

Hands-on learning opportunities are offered at various times during the year. Topics may include the following:

- ◆ Portraiture
- ◆ Studio Lighting
- ◆ Photo Books
- ◆ Macro Photography
- ◆ Light Painting

More detailed information, and how to register for a workshop, can be found on the Club website under the heading, **Events / Workshops**.

FIELD TRIPS

Field Trip outings are offered each month and are led by a Club member. Carpooling is available from a designated meeting spot. Photos taken on Field Trips can be uploaded to the Club website and select images are included in a June slideshow presentation for the last meeting of the year.

We encourage members to participate. It's a great way to get to know other members. Destinations and sign-up information can be found on the Club website under the heading, **Events / Field Trips**.

PHOTOGRAPHY EXHIBIT

The Duxbury Camera Club's annual exhibit, titled **Exposed — 2016-2017**, will be hung at the Duxbury Art Association, 64 St. George Street, Duxbury. The show will run from mid-March and close at the end of April. Each member may enter one image in the show.

Specifications for size, matting, framing and delivery information can be found on the Club website, closer to the show date, under the heading, **Events / Club & Member Shows**.

PLEASE JOIN US

We are a welcoming 90-member group of enthusiastic photographers who come from Duxbury and nearby towns.

Our members represent all levels of experience from novice to advanced.

Our more experienced members generously share their knowledge, helping others to advance their skills and overall enjoyment of photography.

It's easy to join us. Just come to a meeting, pay your dues, and you're in!

MONTHLY MEETINGS

SEPTEMBER – JUNE

WHERE

Held at the Duxbury Free Library, Merry Room (lower level), 77 Alden Street, Duxbury MA.

WHEN

7:00 – 9:00 PM on the first Wednesday of the month, unless the date conflicts with a holiday.

WHAT

Members enjoy presentations by professional photographers, share ideas and photography tips, and show recent individual work.

www.duxburycameraclub.org
